**ARTICLE 5
UNION MEMBERSHIP**

Section 5.1

Membership in the union is not compulsory. Regular Employees have the right to join, not join or drop their membership in the Union, as they see fit. Neither party shall exert any pressure on or discriminate against an Employee in regard to such matters. Membership in the Union is separate, apart and distinct from the assumption of his or her equal obligation to the extent that he or she receives equal benefits. The Union is required under this agreement to represent all of the Employees in the bargaining unit fairly and equally without regard to whether or not an Employee is a member of the Union. The current or future employment of bargaining unit Employees is not contingent upon membership in the Union or the payment of union dues or fees.

As soon as practical following the decision to hire a new Employee into the bargaining unit, the Employer shall notify the Union of newly-hired bargaining unit Employees and provide the Union an opportunity during the onboarding process to meet with newly-hired bargaining unit Employees to discuss the Employees' options with respect to becoming or not becoming a member of the Union.

Each Employee who becomes a member of the Union after June 27, 2018, must sign the Union's Application for Union Membership and Authorized Dues Deduction Card. Employees shall do so with the understanding that the dues authorization and assignment shall be irrevocable for the term of the applicable contract between the Union and the Employer or for one year, whichever is the lesser. The membership shall automatically renew itself for successive yearly or applicable contract periods

thereafter, whichever is the lesser, unless the Employee gives written notice to the Employer and the Union at least sixty (60) days, but not more than ninety (90) days before any periodic renewal date of this authorization and assignment of the Employee's desire to revoke same. Such authorization and assignment is voluntary and not conditioned upon present or future membership in the Union.

Section 5.2

The Union will protect, save harmless, and indemnify the Employer from any and all claims, demands, suits, and other forms of liability by reason of action taken by the Employer for the purpose of complying with this article of the Agreement.

Section 5.3

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the terms of this agreement.

ARTICLE 6 UNION MEMBERSHIP AND CHECK-OFF OF UNION DUES

Section 6.1

To the extent the laws of the State of Michigan permit, it is agreed that:

1. The current or future employment of bargaining unit employees is not contingent upon membership in the Union or the payment of union dues or fees.
2. The Employer agrees to make Union payroll deductions ****once or twice**** each month from the pay of the employees who have authorized that such deductions be made as set forth in Subsections 4 and 5.
3. As soon as practicable following the decision to hire a new employee into the bargaining unit, the Employer shall notify the Union of newly-hired bargaining unit employees and provide the Union an opportunity during the onboarding process to meet with newly-hired bargaining unit employees to discuss the employees' options with respect to becoming or not becoming a member of the Union.
4. Each employee who becomes a member of the Union after June 27, 2018, must sign the Union's Application for Union Membership and Authorized Dues Deduction Card, and shall do so with the understanding that the dues authorization and assignment shall be irrevocable for the term of the applicable contract between the Union and the Employer or for one year, whichever is the lesser, and shall automatically renew itself for successive yearly or applicable contract periods thereafter, whichever is the lesser, unless the employee gives written notice to the Employer and the Union at least sixty (60) days, but not more than ninety (90) days before any periodic renewal date of this authorization and assignment of the employee's desire to revoke same. Such authorization and assignment is voluntary and not conditioned upon present or future membership in the Union.
5. The Employer shall not make any Union payroll deductions from any employee without written authorization from the employee. In the case of an employee who becomes a member after June 27, 2018, written authorization must be in the form of a signed and completed Application for

Union Membership and Authorized Dues Deduction Card, as well as any additional written authorization as the Employer may require. In the event the terms of the Employer's written authorization conflicts with the terms of the Union's Card, the terms of the Card shall be controlling. For an employee who became a member prior to June 27, 2018, the employer must have from the employee written authorization showing the employee's clear intent to participate in Union payroll deductions.

6. Employees may resign their Union membership at any time by notifying the Union, but may still be responsible for payroll deductions as set forth in Subsection 4.
7. Deductions for any calendar month shall be remitted to the Union. In the event that a refund is due to any employee for any sums deducted from wages and paid to the Union, it shall be the responsibility of such employee to obtain the appropriate refund from the Union.
8. The Employer shall not be liable for the remittance or payment of any sums other than those constituting actual deductions made. If the Employer fails to make a deduction for any employee as provided, it shall make that deduction from the employee's next pay period in which such deduction is normally deducted after the error has been called to its attention by the employee or the Union.
9. If there is an increase or decrease in Union payroll deductions, as determined and established by the Union, such changes shall become effective upon the second pay period following notice from the Union to the Employer of the new amount(s).
10. The Union will protect, save harmless, and indemnify the employer from any and all claims, demands, suits, and other forms of liability by reason of action taken by the employer for the purpose of complying with this article of the Agreement.

ARTICLE 7 GRIEVANCE PROCEDURE

Section 7.1

Definition of a Grievance: A Grievance is defined as a disagreement arising under and during the term of this agreement, concerning the implementation and application of the express terms of this agreement.

Section 7.2

An Employee who believes he or she has a grievance must submit his or her complaint orally to the Director of Public Safety or his or her designee within forty-eight (48) hours (Saturdays, Sundays and Holidays excluded) after the occurrence of the event upon which his complaint is based. The Director of Public Safety or his/her designee shall give the Employee a verbal answer within forty-eight (48) hours (Saturdays, Sundays and Holidays excluded) after the complaint has been submitted to him/her. In the event the complaint is not satisfactorily settled in this manner, it shall become a grievance and the following procedure shall apply.

Section 7.3

Working days for the purpose of this Article shall be Monday through Friday, excluding (Saturday, Sunday and any Holiday).

Section 7.4

STEP ONE: To be processed under this grievance procedure, a grievance must be reduced to writing in triplicate, stating the facts upon which it is based, when the event occurred and specifying the Section of the contract which allegedly has been violated. The grievance must be signed by the Employee who is filing the grievance and must be presented to the Director of Public Safety or his/her designee within five (5) working days after the occurrence of the event upon which it is based. The Director or his/her designee shall give written answer to the aggrieved Employee within five (5) working days after receipt of the written grievance. If the answer is satisfactory, the Employee shall so indicate on the grievance form and sign it with the two (2) copies of the grievance thus settled, retained by the Employee and one (1) copy retained by the Director of Public Safety.

STEP TWO: If the grievance is to be appealed to the Second Step, the Steward shall notify the City Manager, in writing within three (3) working days after receipt of the written First Step answer of a desire to appeal the grievance. If such a written request is made, the City Manager and/or his designee shall meet with a representative designated by the Union within seven (7) calendar days thereafter to discuss the grievance. A written Second Step answer to the grievance shall be given to the Union within seven (7) calendar days after such meeting. If the answer at this stage is satisfactory, the Union representative and the grievant shall so indicate on the grievance answer and sign it with two (2) copies of the grievance thus settled, retained by the Union and one (1) copy by the City Manager.

STEP THREE: In the event the grievance is not settled in Step Two, the Union or Employer only shall submit the grievance to arbitration through the Federal Mediation and Conciliation Service in accordance with its Voluntary Labor Arbitration Rules then in effect provided such submission is made within fifteen (15) working days after receipt of the answer. Failure to request arbitration in writing within such period shall be deemed a withdrawal of the grievance and it will not be considered further in the grievance procedure. The arbitrator shall have no authority to add to, subtract from, change or modify any provision of this agreement but shall be limited solely to the interpretation and application of the express provisions of the agreement.

Section 7.5

However, nothing contained herein shall be construed to limit the authority of an arbitrator, in his own judgement, to sustain, set aside or modify any disciplinary action taken by the Employer. The decision of the arbitrator shall be final and binding upon the parties hereto.

The expenses and fees of the arbitrator shall be shared equally by the Employer and the Union. The arbitrator shall be requested by the Employer and the Union. The arbitrator shall be requested to issue a decision within thirty (30) days after the conclusion of testimony, argument and submission of briefs.

Section 7.6

The arbitrator shall make no award, which provides the Employee compensation greater than would have resulted if there had been no violation.

Section 7.7

Time limits at any step of the grievance procedure may be extended only by a mutually written agreement between the Employer and the Union. In the event the Union does not appeal a grievance from one step to another within the time limits specified, the grievance shall be considered as being settled on the basis of the Employer's last answer. In the event the Employer fails to reply to a grievance, the grievance shall automatically be referred to the next step in the grievance procedure.

ARTICLE 8 DISCHARGE AND DISCIPLINE

Section 8.1

The Employer agrees that, except for probationary Employees and in circumstances as set forth below, the concept of progressive discipline is hereby adopted to govern disciplinary action. It is also understood and agreed that the Employer reserves the right to suspend or discharge an Employee for a serious infraction without instituting progressive discipline, provided however; non-probationary Employees shall retain recourse to the grievance procedure. It is also understood and agreed that the Employer will review annually and amend as necessary changes to the applicable policies governing discipline with a copy of amended or otherwise revised changes to said policy provided to the Union. The Union maintains all rights to bargain any and all changes to the policies, procedures, rules and regulations as provided by the law.

Section 8.2

Any non-probationary Employee who is suspended or discharged and, who believes such discipline is without just cause, may file a written grievance related to such discipline provided such grievance is filed within three (3) working days of issuance of such discipline.

1. The Employer agrees to promptly notify the Union in writing of such suspension or discharge. Such notice will contain the reasons underlying the suspension or discharge.
2. It is understood and agreed that when an Employee files a grievance with respect to his suspension or discharge, the act of filing such grievance shall constitute his authorization to the Employer to reveal to the participants in the grievance procedure any and all information available to the Employer concerning the alleged offense and such filing shall further constitute a release of the Employer from any and all claimed liability by reason of such disclosure.
3. No member shall be required to make any statements concerning the alleged offense prior to instituting the grievance procedure.
4. The discharged or disciplined Employee will be allowed to discuss his discharge or discipline with the Steward or alternate Steward of the group and the Employer will make available an area where he may do so before he is required to leave the property of the Employer. Upon request, the Employer or his designee will discuss the discharge or discipline with the Employee and the Steward or Alternate Steward.

Section 8.3

If the Employer believes that an Employee has violated a department rule or rules, the Employer shall promptly notify the Employee of such.

**ARTICLE 9
LOST PAY**

Section 9.1

If an Employee is entitled to recover lost pay as a result of a disciplinary suspension or a termination being set aside or modified through the grievance procedure, such lost pay shall be calculated based on the Employee's regular wage rate at the time of such termination or the start of such suspension less any compensation the Employee may have earned from other employment during such period.

**ARTICLE 10
SENIORITY**

Section 10.1 Departmental Seniority

Seniority shall be defined as an Employee's length of continuous full-time Employment with the Public Safety Department of the Employer since his last hiring date. "Last Hiring Date" shall mean the date upon which an Employee first reported to work at the instruction of the Employer and since which date he has not quit, retired or been discharged. No time shall be deducted from an Employee's seniority due to absence occasioned by authorized leave of absence, vacations, sick or accident leaves or for layoffs due to lack of work or funds except as herein provided.

Section 10.2 City-Wide Seniority

City-wide seniority shall be defined as an Employee's length of continuous full-time employment with the City of Essexville and shall be used for the purpose of pension and paid time off (PTO) accumulation.

Section 10.3 Classification Seniority

Classification seniority is defined as the period of time an Employee works in a particular classification.

Section 10.4 Probationary Employees

All new Employees shall be probationary until they complete twelve (12) consecutive months of employment with the Employer. The Employer may, in its sole discretion, extend an Employee's probationary period by up to an additional six (6) consecutive months provided the Employer gives notice of such extension to the Union and prior to the completion of the Employee's initial twelve (12) month probationary period.

The purpose of the probationary period is to provide an opportunity for the Employer to determine whether the Employee has the ability and other attributes, which qualify him for regular Employee status. During the Employee's probationary period, the Employee shall have no seniority status and the Employee may be disciplined, up to and including discharged, in the sole discretion of the Employer without recourse to the grievance procedure.

The Employer shall give written notice to the Union if it terminates the employment of a probationary Employee. At the conclusion of the Employee's probationary period, the Employee's name shall be added to the seniority list as of his last hiring date.

Section 10.5 Seniority List

The Employer will maintain an up-to-date seniority list. A copy of the seniority list will be posted on the appropriate bulletin board every twelve (12) months. The names of all Employees who have completed their probationary period shall be listed on the seniority list in order of their last hiring date. Employee names shall appear on the seniority list alphabetically by first and last name if two (2) or more Employees share the same last hire date.

Section 10.6 Status

Employees hired on the same date shall be advised at the time of hiring as to seniority status.

Section 10.7 Termination

An Employee's seniority shall be terminated for the following reasons:

1. If he/she quits, retires or is justifiably discharged.
2. If following a layoff for lack of work or funds, he/she fails or refuses to notify the Director of Public Safety of his/her intention to return to work within five (5) working days after a written notice sent by certified mail of such recall is sent to his/her address on record with the Employer.
3. If following layoff for lack of work or funds, he/she having notified the Director of Public Safety of his/her intention to return to, fails to do so within fourteen (14) working days after such notice is sent.
4. If he/she is absent for three (3) calendar days without notifying the Directory of Public Safety, when possible, prior to or within such three (3) day period of a justifiable reason for each absence.
5. When he/she has been laid off for lack of work funds for a period of twenty-four (24) or more consecutive months.

Section 10.8

Any Employee who accepts a position with the Employer, which is outside of the bargaining unit, shall have his or her classification and departmental (if outside Department of Public Safety) seniority frozen at the effective date of such transfer and shall not earn any additional classification and/or departmental seniority while working outside of the bargaining unit. If an Employee who transfers from the bargaining unit, as set forth above, returns to the bargaining unit, he or she shall resume all classification and/or departmental seniority earned by the Employee at the time the Employee accepted a position outside the bargaining unit. Such Employee shall be credited with all service time with the Employer for purposes of city-wide seniority.

Section 10.9

Upon written agreement by the Employer, except as a result of a layoff, any Employee who has transferred to a position outside the bargaining unit may return to the bargaining unit provided that no bargaining unit Employee will be laid off as a result of the Employee returning to the bargaining unit.

Section 10.10

If an Employee who has transferred to a position outside of the bargaining unit is laid off from his or her position outside of the bargaining unit, such Employee may return to the bargaining unit and replace (through the layoff of) the least senior bargaining unit Employee provided the returning Employee has more seniority than the Employee he or she is replacing.

**ARTICLE 11
LAYOFF**

Section 11.1

If it is necessary for the Employer to lay off Employees in the Department of Public Safety, probationary Employees shall be laid off first. Thereafter, if it is necessary to further reduce the number of Employees in a job classification unit, Employees shall be removed on the basis of their classification seniority in inverse order of their seniority, provided always that the remaining Employee has the skill to perform available work in such classification.

The employer shall give written notice to the employees and the Steward of any proposed layoff. Such notice shall be submitted at least fourteen (14) calendar days before the effective date the layoff is to begin.

Provided however, if an employee is laid off, he or she may exercise the right to bump the lowest seniority employee in any bargaining unit classification that is equal to or lower than the classification the employee holds at the time of his or her layoff. An equal or lower classification shall be one that has a top rate of base pay equal to or lower than the classification affected by the layoff.

Section 11.2

Employees shall be recalled in accordance with their classification seniority. Notice of recall may be made by telephone, confirmed by certified mail to the Employee's last known address.

**ARTICLE 12
VACANCY AND/OR NEW POSITION**

Section 12.1

Vacancies or a newly created position within the bargaining unit, covered by the terms of this agreement, shall be posted in a conspicuous place in the Public Safety Department at least ten (10) days prior to filling such vacancy or newly created position. Such posting shall include the required qualifications for the position. Employees, who wish to be considered for such positions, shall apply in writing, prior to the conclusion of the ten (10) days. Employees not present during the posting period shall be notified of the position by the Steward or Alternate Steward. Only applicants that are, in the sole opinion of the Employer, qualified to fill vacancies or new positions shall be given consideration by the Employer when filling vacancies or new positions.

Section 12.2

Temporary assignments to a higher classification for the purpose of filling vacancies of Employees who are absent will be granted to the senior qualified person for the job. When a temporary assignment exists, the Employee(s) filling the higher classification shall receive the rate of pay for those hours worked.

When an Employee is temporarily assigned to work in a lower classification, he/she shall not suffer a reduction in pay.

Temporary assignments to a higher classification will not be for a period of longer than ninety (90) days, unless mutually agreed upon by the Union and Employer.

Section 12.3

It is mutually understood and accepted that the Essexville Public Safety Department will have a minimum of two (2) Supervisors or administrators but may add more should the articulable need arise. Title changes of supervisory positions are permitted to reflect the needs or responsibilities of Law Enforcement or the Fire Department. A title change alone is not construed as a vacant or new position so long as afforded benefits and pay remain intact as set forth in this agreement. At any point which an absolute benefit such as wage increase is made, outside of section 12.2, it is considered a new classification.

ARTICLE 13 LEAVES OF ABSENCE WITHOUT PAY

Section 13.1

Leave of Absence: The Employer may, in its sole discretion, grant an unpaid leave of absence without loss of seniority to an Employee requesting such leave. The maximum leave of absence shall be for ninety (90) days. All requests and approvals for such leaves of absence must be in writing. The Employee shall be responsible to pay the cost to continue health, life and short-term disability insurance and pension benefits during the time the Employee is on such unpaid leave.

Section 13.2

Union Leave: The Employer agrees to grant up to three (3) working days per calendar year, without discrimination or loss of seniority rights and with pay, to one Employee designated by the Union to attend a labor convention, education conference or another official Union function, in a fashion consistent with any other request for time off. If such attendance would pose undue and burdensome overtime costs for the Employer, the Employer may require that in lieu of overtime pay for attendance, compensatory time may be accrued instead.

Section 13.3

Active and Reserve Military Leave: Leave of absence without pay and without loss of seniority shall be granted to Employees who are active in the National Guard or a branch of the Armed Forces Reserves for fulfilling their training obligations or tours of active duty. Applications for a leave of absence for such purpose must be made as soon as possible after the Employee's receipt of his/her orders. Nothing contained herein shall prohibit the Employee from using accrued PTO for annual field training obligations.

A full-time Employee who enters the military service by draft or enlistment shall be granted a leave of absence without pay and without loss of seniority for that purpose. At the conclusion of such leave of absence the Employee shall be reinstated in accordance with all applicable provisions of the Selective Service Training Act and other applicable laws then effective.

ARTICLE 14
LEAVES OF ABSENCE WITH PAY

Section 14.1 Short-Term Disability Leave

1. The Employer shall provide each Employee with short-term disability insurance coverage that will provide benefits to the Employee for time lost from work due to a non-work related illness or injury. Such benefit shall be in the amount of two-thirds of the Employee's non-overtime normal gross pay for the time lost from work and for a period of up to twenty-six (26) weeks per individual occurrence beginning with the 8th calendar day of the non-work related illness or injury.
2. The Employer may require Employees who are off for an extended period of time (more than 3 workdays) to provide medical documentation that the Employee has been ill and/or sought medical attention during that absence. This may also occur if there is an articulable reason to believe an Employee is abusing PTO by claiming to be ill. This is allowed only if an articulable reason based on one or more facts by the Employer is relayed to the Union indicating the Employer's intent to seek such medical documentation for conference, with the ultimate decision resting on the Employer.
3. The Employer agrees to make the Employee's contribution to the Municipal Employees Retirement System based on the benefit the Employee receives while on "Short-Term Disability" so that the Employee does not lose service credit.
4. For purposes of continuing health insurance benefits, an Employee who is off work and drawing short-term disability benefits shall be considered working.

Section 14.2 Funeral Leave

Employees who request time off for funeral leave shall be extended all efforts to accommodate this request and shall be taken at face value without need of proof.

1. Paid funeral leave will be allowed for the death of a member of an Employee's Immediate family which is defined as the Employee's current spouse, child, brother, sister, parents, grandparents, grandchildren, mother or father of current spouse, sister or brother of current spouse, children of current spouse, son-in-law, or daughter-in-law. Relatives other than those are not considered immediate family for the purpose of this subsection. Funeral leave for immediate family members shall be allowed and paid for up to three (3) consecutive days.
2. It shall be mutually understood and agreed upon that a death outside of immediate family, is equally as impactful, regardless of blood lineage and that the Employer will make reasonable accommodations to allow for funeral leave of up to three (3) consecutive days. It is understood by all parties that family is subjective and carries the same grief irrespective of the blood lineage and that the Employer shall make all reasonable attempts to accommodate the grieving process.
3. Nothing herein contained shall be construed to prohibit the Employee from requesting additional time off for funeral arrangements and bereavement, with the additional time to be deducted from the Employee's PTO Bank.

Section 14.3 Personal Policy Amendment A. Paid Time Off (PTO) (effective January 1, 2018)

PURPOSE

The City of Essexville believes that Employees should have opportunities to enjoy time away from work to help balance their lives. The City recognizes that Employees have diverse needs for time off from work and has established this paid time off (PTO) policy to meet those needs. The benefit of PTO is that it promotes a flexible approach to time off. Employees are accountable and responsible for managing their own PTO hours to allow for adequate reserves if there is a need to cover vacation, illness or disability, appointments, emergencies or any other situations that require time off from work.

ELIGIBILITY

PTO is made available to Employees upon hire or transfer into a benefits-eligible position based on the following schedule. Eligible Employees must be scheduled to work at least 84 hours every two (2) weeks on a regular basis. Employees working less than 84 hours every two (2) weeks on a regular basis, on-call and temporary Employees are not eligible to receive PTO.

USE AND SCHEDULING OF PTO

Employees are required to use available PTO when taking time off from work with the exception of a company-required absence as approved by the Employee's supervisor or the City Manager. PTO may be taken in 1-hour increments. PTO may not be used for missed time because of Employee tardiness, except during inclement weather.

Whenever possible, PTO must be scheduled in advance. Time off should be scheduled with one (1) week notice for two or fewer days out of the office and two (2) weeks' notice for extended time away. PTO is subject to supervisory approval, department staffing needs and established departmental procedures.

Unscheduled absences will be monitored. An Employee will be counseled when the frequency of unscheduled absences adversely affects the operations of the department. The supervisor may request that the Employee provide a statement from a health care provider concerning the justification for an unscheduled absence. Five (5) personal days per year (included in the PTO allotment) will be allowed. When requesting to use one of the personal days, this must be notated at the time of request. This limits overtime costs as well as ensures preparedness for non-emergent staffing shortages.

If a paid holiday occurs when PTO is scheduled by an Employee, the Employee is not required to take PTO to cover the holiday.

An Employee's birthday shall be celebrated by the Employee on one of his or her regularly scheduled workdays by using PTO as it is included in the PTO Allowance Table. The City and department shall arrange said time off in keeping with the efficient operation of the department.

When PTO is used, an Employee is required to request payment of PTO hours according to his or her regularly scheduled workday. For example, if an Employee works an 8-hour day, he or she would request 8 hours of PTO when taking that day off. Likewise, when an Employee works a 12-hour day, he or she would request 12 hours of PTO. PTO is paid at the Employee's straight time rate. PTO is never paid at an overtime rate.

Employees may not borrow against their PTO banks; therefore, no advance leave without adequate PTO banked will be granted.

ANNUAL PAYOUT OF PTO

The first pay period in December of each year, Employees may choose to take a payout of a maximum of 80 hours of PTO. With prior City Manager approval, Employees may elect to be paid out for the 80 hours of PTO during the first pay period of the following January instead.

ANNUAL CARRYOVER OR PTO

At the end of each calendar year, Employees may carry over up to 80 hours of PTO to the new year. Employees must use the PTO no later than June 30th of the current year to ensure that time off is attributed to the appropriate fiscal year for accounting purposes.

PTO PAYOUT UPON TERMINATION OF EMPLOYMENT

When an Employee is laid off for lack of work or quits with at least two (2) weeks' notice, he or she will be paid for any unused portion of the PTO remaining in his or her PTO Bank from the prior year and a prorated amount of PTO for the current year.

If an Employee is terminated for cause or quits without giving the required notice, no PTO payout will be allowed.

If an Employee retires, the Employee will be paid for any unused portion of the PTO remaining in his or her PTO Bank from the prior year and a prorated amount of PTO for the current year.

The Employee may also choose to use their banked PTO before retirement. Therefore, the Employee's last day of work may not be the same as his or her actual retirement date.

Once an Employee gives his or her two (2) weeks' notice, unless previously scheduled, no PTO may be used during the remaining weeks of work. This is to encourage a smooth transition following the Employee's departure.

Section 14.4 Additional Provisions

1. In the case of a death of an Employee, he/she or his/her estate will be paid for all PTO hours accumulated in the bank less any proration.
